出版者:West

出版时间:2009-04-27

装帧:Hardcover

isbn:9780314184955

The fifth edition of this successful casebook continues the authors' commitment to addressing the cutting edge issues of contemporary procedure. The new edition contains a revamped treatment of pleadings, important recent Supreme Court

decisions, modified presentation of class action issues, expanded attention to electronic discovery, and a thoroughly-revised chapter on appellate review. Throughout, the textual material and Notes and Questions have been updated and revised to make them effective for a 21st century course.
