《中学汉语套装(套装32册)》：

Chinese for Secondary School Students is designed for students whose native language is not Chinese. After finishing the series, learners will have a firm grasp of Chinese pronunciation, commonly used words, basic grammar and around 2,500 frequently used phrases. They will have the ability to communicate with others in their academic and daily lives, as well as hold discussions on a wide variety of general social subjects. Learning Chinese can be so easy!
