Product Description

Learn how to Create Multiple Streams of Income and Financial Freedom with No Money and No Risk, Using Joint Ventures.

No matter whether you're the CEO of a company or an unemployed waiter, a salesperson or small business owner, this book is designed to create financial prosperity for you, regardless of your situation.

Now you can get into the head of Robin J. Elliott and learn from 19 years of JV experience with thousands of businesses in Africa, Canada and the United States.

You don't need money, a product, a business, a database or experience to start making money from Day One. This is real world, real time, real money, not some scheme.

Learn how to use other peoples' money, distribution, products, infrastructure, sales teams, equipment - whatever you need is available to you through Joint Ventures. Create the financial independence you want and deserve with very little time, no money and no risk - get this powerful, practical information and use it!
