I Will Speak Using Stories is a collection of everyday, down home, stories of people and events. Some of the stories will make you weep, smile, cry, or laugh. Some stories will cause the reader to reminisce. Others will remember an old relative or friend. Each story ends with Scripture. The point of the story is to show that Scripture is universal and pertinent. There are probing questions that will help the reader meditate. The devotions have a prayer to give the day a fresh start. The book is great resource to use for a daily quiet time.
