An illustrated volume that pays tribute to Scotland's multifaceted allure, from striking natural landscapes to elegant castle living. The craggy peaks and reflective lochs of the rugged Scottish landscape have inspired writers and travelers for centuries. With its rolling hills and quiet hamlets, Scotland is a patchwork of stunning green valleys and

windswept moors, scattered with the stony ruins of ancient abbeys and castle strongholds. From the peat bogs of the Highlands to the ordered elegance of Lady Cawdor’ s Castle, stunning photographs capture Scotland’ s national treasures. Draw inspiration from cozy interiors that feature handcrafted furniture, tartan accessories, and outdoorsy details such as hunting trophies and painted landscapes. Discover Scotland’ s colorful traditions from kilts and bagpipes to whisky and haggis. Follow hunters and their dogs on the lookout for fowl and wade into clear running streams where fly fishers catch the bounty of Scotland’ s waterways. Includes an address book for travelers and traditional recipes for those seeking a taste of the Scottish lifestyle at home.
