This intriguing, suspense-packed novel is the fourth Jack Taggart Mystery, following Loose Ends, Above Ground, and Angel in the Full Moon. This time the implacable Mountie Jack Taggart goes undercover to follow the trail of a cheap Saturday-night special found at the scene of a murder. He traces the gun from the manufacturer to the person it was stolen from and through several criminals until the trail leads him to a suspected heroin importer. Taggart pretends to be an Irish gangster and penetrates the criminal organization, only to discover that the real crime boss is a mysterious figure out of Asia. Taggart and his partner are unexpectedly taken aboard a private jet where they find themselves alone and without backup in the lair of one of the largest yakuza organized crime families in Japan. East meets west. The clash of culture explodes into violence when their real identities are discovered.
