"Success with BEC" offers complete exam preparation. Each module is divided into: Business Topic lessons which teach vocabulary from BEC topic areas; Business Skills

lessons which focus on essential communication skills; and, Exam Spotlight lessons which present information about the exam, develop exam skills and provide exam practice. The core lessons all: cover a carefully-designed grammar syllabus with extensive practice; introduce modern business issues of the day; and, include exam-type activities and tips for exam success. The input texts focus on current business topics and skills. Exam-led grammar syllabus - The grammar is explicitly presented and practised in the core lessons. The structure of the book ensures 100 per cent coverage of the content of the exam. The BEC exams deal with either business topics or business skills. It allows teachers to select the type of lesson (topic-based or skill-based) according to the needs of their learners. Each lesson is self contained. The Workbook features interesting and motivating input and activities. It consolidates and extends the grammar, vocabulary and business skills presented in the Student's Book. It also provides further exam practice. The Teacher's Book includes reduced pages from the Student's Book for easy reference. It contains step-by-step teaching notes, answers, tapescripts and suggestions for further practice. It also offers a section of highly focused and fun photocopiable activities, ideal for pre-work or business students.
