Geraldine McCaughrean has won many awards for her brilliant versions of classic texts. Here she retells the ten Shakespeare plays children are most likely to come across: Romeo and Juliet, Henry the Fifth, A Midsummer Night's Dream, Julius Caesar, Hamlet, Twelfth Night, Othello, King Lear, Macbeth and The Tempest. Written in stirring, colourful prose, this book makes a terrific introduction to Shakespeare and makes complex plots easy to follow. The text is punctuated with well-known quotations that give a taste of the real thing, and each play opens with a cast list explaining just who

the characters are. --This text refers to the Paperback edition.
