著者:Ed Moloney

出版者:Penguin Canada

出版时间:2007-8-7

装帧:Paperback

isbn:9780141028767

For decades, the British and Irish had 'got used to' a situation without parallel in Europe: a cold, ferocious, persistent campaign of bombing and terror of extraordinary duration and inventiveness. At the heart of that campaign lies one man: Gerry Adams. From the outbreak of the troubles to the present day, he has been an immensely influential figure. The most compelling question about the IRA is: how did a man who condoned atrocities that resulted in huge numbers of civilian deaths also become the guiding light behind the peace process? Moloney's book is now updated to encompass the anxious and uneasy peace that has prevailed to 2007.
