Reach for the Stars is a wonderful way to encourage and congratulate those, regardless of age, who are celebrating a milestone...and feel ready to SPREAD THEIR WINGS AND FLY! The young hero of Serge Bloch's delightful Butterflies in My Stomach is back, along with his loyal dog Roger. Having mastered the first day of school, the two are embarking further on the perilous journey of life. Like all of us, they encounter many FORKS IN THE ROAD and UPHILL BATTLES—but they also find that there's no better time than right now to REACH FOR THE STARS and SHOOT FOR THE MOON. And just as with his Butterflies in My Stomach, Bloch's witty art—a wonderful mix of whimsical line drawings and photography—will delight, charm, and inspire.
