Meet Chris Luna, a cheap private eye with a client list of the dearly departed. Chris has the unique ability to sometimes pierce through The Veil between our realm and the unknown beyond. Unfortunately, it doesn't really pay the rent. Now Chris is broke and has to return home to Maine... and face the darkness that now lurks beneath the surface of her quiet hometown.

评论

这故事也太弱了

画工还行，故事小惊悚

1-4

神作

面纱

面纱。梦魇风格，见鬼、小镇、故乡回忆，电影似的分镜。
