A woman steps over the line into the unthinkable in this brilliant, powerful, and unforgettable new novel by the author of *The Lovely Bones* and *Lucky*. Helen Knightly has spent a lifetime trying to win the love of a mother who had none to spare. And as this electrifying novel opens, she steps over a boundary she never dreamt she would even approach. But while her act is almost unconscious, it also seems like the fulfilment of a lifetime's buried desire. Over the next twenty-four hours, her life rushes in at her as she confronts the choices that have brought her to this crossroads. Sebold writes brilliantly ... *The Almost Moon* is a mature, salutary and timely novel' Helen Dunmore, *The Times* Exhilarating, unforgettable ... This is a remarkable novel in which every word is vital, each nuance felt ... Candid, gut-wrenching, at times horribly funny and often beautifully touching ... The genius which guides *The Almost Moon* is its absolute, horrible, multiple truths; its staggering clarity' Eileen Battersby, *Irish Times* As moving as it is unquestionably gripping' *Observer*
