isbn:9780439932172

In their latest adventure, John and Philippa Gaunt find themselves tangled up in a spellbinding mystery that takes them deep into the heart of the Amazon jungle in book five of the NY TIMES bestselling Children of the Lamp series. When a collection of Incan artifacts goes missing, the Blue Djinn of Babylon dispatches the twins and Uncle Nimrod to recover them. Along the way, though, John and Philippa encounter their friend Dybbuk, who was drained of his djinn powers but is determined to get them back. In a fury, he's headed to an ancient Incan Empire where he believes he can regain his strength. Dybbuk will stop at nothing . . . even if it means destroying the rain forest, opening a cursed portal, and disturbing the enchanted kingdom of the Incas that has slept for thousands of years. Can the twins stop their friend before he destroys everything? Praise for the Children of the Lamp series: "Kerr puts an ingenious spin on the enchanted-lamp theme in his first novel for children. . . ." -BOOKLIST "A breakneck paced, Indiana Jones-style adventure. . . . Kerr keeps the emphasis on fun, making this the first in a series worth watching." -PUBLISHERS WEEKLY ". . . the humor is just right, the captivating world of the djinn is faultlessly depicted and expanded, and Kerr balances the resolution with enough uncertainties to draw readers back for the next installment. This work is likely to win new fans as well as please those who enjoyed the previous book." -VOICE OF YOUTH ADVOCATES "Kerr brings a wealth of invention and a solid grounding of research into djinn legends to his creation, giving the story and its deftly varied episodes a rich texture. . . . Capable writing and a well-shaped plot will reward fans returning to this series." -THE HORN BOOK
