isbn:9780205708437

Effective writing through critical thinking. Above all others, this rhetorical patterns reader provides a comprehensive grounding in critical thinking as the foundation for close reading and effective writing. Just as important, by exposing the reader to interesting and insightful prose by a diversity of top writers, the reader is motivated to respond in writing and discussions. By thinking, reading, and writing on three increasingly difficult levels - literally, interpretively, and critically - readers can better learn the processes and skills necessary to be successful in all their writing experiences.
