Quiet Halley and popular Scarlett have been friends for years, balancing each other perfectly - until the summer of their 16th birthdays. Scarlett's boyfriend is killed in a motorbike accident, just before she discovers she is carrying his baby. Now, for the first time, Scarlett really needs Halley at the same time as Halley needs her. Halley is caught up in the spell of first love, and the pressure to lose her virginity...Each with their own problems, can this friendship survive the strain of support that both Halley and Scarlett expect from each other?
