When a pencil draws a rubber, a battle of wits ensues! A pencil draws a boy, a dog, a cat and a whole world for them to play in. Then the pencil draws a brush, and the brush adds colour to everything. Everyone is very happy, until the pencil draws a rubber...which begins rubbing everything out! This title comes from the acclaimed partnership behind "The Runaway Dinner" (9781406305494) and "Previously" (9781844280629). It is illustrated by the winner of the 1996 Mother Goose Award for best newcomer to children's books.

故事线奔腾冲撞，不知伊于胡底，戛然顿挫之际，又徐徐出之，静缓而终矣。作者故事能力收放自如，已入化境耳。极感！借阅于奇点书集。
