Six year-old Zoe York has been taken and her mother has come to Remy for help. She shows him crude, childlike drawings that she claims are Zoe's visions of the future, everything leading up to her abduction, and some beyond. Like the picture of a man with wings who would come and save her-a man who is an angel. Zoe's preternatural gifts have made her a target for those who wish to exploit her power to their own destructive ends. The search will take Remy to dark places he would rather avoid. But to save an innocent, Remy will ally himself with a variety of lesser evils-and his soul may pay the price...
