# Davenport-Schinzel Sequences and their Geometric Applications

[Davenport-Schinzel Sequences and their Geometric Applications_下载链接1_](#)

著者:Micha Sharir

出版者:Cambridge University Press

出版时间:2010-03-11

装帧:Paperback

isbn:9780521135115

These sequences exhibit some surprising properties that make them a fascinating subject for research in combinatorial analysis. This 1995 book on the subject by two of its leading researchers will be an important resource for students and professionals in combinatorics, computational geometry and related fields.
