For five years Chris Ware has been drawing amazingly innovative 'comic strips' about a character called Jimmy Corrigan - a boy with the face of a disappointed old man. Here for the first time Ware's strips are assembled in a beautiful hardback, every inch of which, including an extraordinary fold-out jacket, has been designed by Chris Ware. Jimmy Corrigan has rightly been hailed as the greatest comic/graphic novel ever to be published.

读起来太憋屈了内心和jimmy张脸一样拧巴orz
弱鸡男的悲伤记忆合集，主家庭精神软暴力，性不满和无声超人幻想。主角什么行动都没发出，于是更弱鸡拧巴了。
分镜另当别论，在表达记忆和时间的乱序上非常清晰，他喜欢制造对话框、图形中的tangent来引导视线。分格大小的处理把pacing控制得很精准。图表式分镜大部分都有用，少数我觉得只是格式君。
