The popular textbook "Medical Terminology: An Illustrated Guide" is now available in a Canadian edition, with Canadian regionalisms, spellings, drugs, diagnostic terms, and

measurements. This richly illustrated introduction to medical terminology provides comprehensive coverage of terms related to structure and function, disorders, diagnosis, and treatments. It features a user-friendly layout, basic approach to the subject, and numerous learning exercises. A free bound-in CD-ROM contains Stedman's audio pronunciations and exercises for students. LiveAdvise: Medical Terminology - an online student tutoring and faculty support service - is free with the book. A fully customizable online course created specifically for this text is available as an additional purchase.
