The Spanish conquest of the Americas in the sixteenth century was one of the most important and cataclysmic events in history. Spanish expeditions endured incredible hardships in order to open up the lands of the 'New World', and few stories in history can match these for drama and endurance. In "Conquistadors", Michael Wood follows in the footsteps of some of the greatest of the Spanish adventurers travelling from the forests of Amazonia to Lake Titicaca, the deserts of North Mexico, the snowpeaks of the Andes and the heights of Machu Picchu. He experiences the epic journeys of Cortes, Pizarro, Orellana and Cabeza de Vaca, and explores the turbulent and terrifying events surrounding the Spanish conquest of the Aztec and Inca empires. Wood brings these stories to vivid life, highlighting both the heroic accomplishments and the complex moral legacy of the European invasion. Conquistadors is Michael Wood at his best - thoughtful, provocative and gripping history.
