Learn. Practice. Assess. Hole's Human Anatomy and Physiology was created for the introductory level student and assumes no prior science knowledge by placing emphasis on the fundamentals. This new edition updates a great A&P classic while offering greater efficiencies to the user. The format for the 12th edition focuses on Learning Outcomes and Assessments. This will benefit the student along with the

instructor. The 12th edition of Hole also continues to offer technology that combined with the text offer users an incredible Course Solution! Technology like Anatomy and Physiology Revealed and the new online Homework Manager bring unprecedented opportunities to the classroom whether on campus or at home! Users who purchase Connect Plus receive access to the full online ebook version of the textbook.
