Ever since he returned from Dormia, Alfonso Perplexon has enjoyed sleeping like a normal person. No waking up at the top of a tree, or the edge of a cliff. In fact, no

sleepwalking at all.

But then, on a class trip to France, Alfonso feels that strange and familiar pull of sleep. The next thing he knows, he finds himself in the belly of a ship headed to Egypt. In his backpack are a few old books and a vial of medicine he stole while asleep.

Something is calling alfonso back to Dormia. Perhaps it's the Founding Tree? Or perhaps it's the man he sees in his dreams--the man who looks just like his deceased father? Whatever it is, Alfonso is powerless to resist. And so begins another fantastical quest to Dormia--and beyond.
