After the success of their other "Illustrated Classics" editions, Ian Edginton and I.N.J. Culbard have once again teamed up. This time, they've created a visually compelling graphic novel adaptation of Sir Arthur Conan Doyle's masterpiece "A Study in Scarlet"--which introduced the world to the immortal detective Sherlock Holmes and his friend and chronicler, Dr. Watson. The superb writing and beautiful art takes Conan Doyle's supernatural tale to new heights.

The first english novel I have finished, very amazing! The love story between Hope & Lucy is so singular.
