Miniwa, Wisconsin, is under siege, but not by the usual summer tourists. The area's normally shy wolf population has begun stalking human prey, and their victims have been disappearing ...or worse. Something is happening in the woods. Something no one can explain ...Officer Jessie McQuade has seen plenty in her years on the force but nothing as intriguing as the gorgeous, naked man she encounters while tracking a rogue wolf. Professor Will Cadotte is a Native American activist. He's also the only man capable of distracting Jessie from her work. And for a cop, distraction no matter how pleasurable can be deadly. It's against Jessie's better judgement to accept Will's help in her investigation, yet she soon finds herself doing exactly that and more. Will's dark, penetrating eyes see into a part of Jessie's soul she never knew existed. It's exhilarating, and terrifying. Now, as a town's deepest secrets come to light no one is safe: not friends, lovers, or strangers. And as Jessie follows a trail to the shocking truth, she'll have to decide who she can trust when the moon is full ...'Fresh, fun and fabulous! An exciting new voice in paranormal suspense' Sherrilyn Kenyon
