著者:G. Richard, Jr. Smith

出版者:Amer Psychiatric Pub

出版时间:1991-8

装帧:Hardcover

isbn:9780880483742

This volume provides consultation-liaison psychiatrists and primary care practitioners with practical, state-of-the-art assessment, treatment, and management techniques for somatization disorder. Drawing on case histories, Dr. Smith also includes in this volume the most up-to-date information on the history and epidemiology of somatization disorder, its comorbidity with medical, psychiatric, and substance use disorders, and the health care utilization patterns of patients with this disorder.
