Through 1996 and 1997 bestselling author Joe Mc Ginniss followed the Italian football season from Castel di Sangro, a small town nestled in the Abruzzi region of Italy. The motley crew that comprised the di Sangro soccer team in the early 90s masked an unparalleled prowess for playing soccer. This is the story of a team and a town with no aspirations, just a passion for the game, and how that passion allowed this team to rise to the top of the professional Italian soccer league. With the lust for life of Robert Crichton's THE SECRET OF SANTA VITTORIA and the sporting dreams of modern movie classic FIELDS OF DREAMS, THE MIRACLE OF CASTEL DI SANGRO is an ebullient story of how a two-hour game transformed a dot on the map into a place of magic, miracles and wonder.
