出版时间:2010-02-25

装帧:Hardcover

isbn:9780321652744

Elayn Martin-Gay firmly believes that every student can succeed, and her

developmental math textbooks and video resources are motivated by this belief. Developmental Mathematics, Second Edition was written to help readers effectively make the transition from arithmetic to algebra. The new edition offers new resources like the Student Organizer and now includes Student Resources in the back of the book to help students on their quest for success.
