Meet Charity, Faith, and Hope: the girls of the Tri-Omega Sorority. To some, they're the most popular girls on their campus, but to others, they're the most unstoppable, cruel, and dangerous (not to mention dumbest) assassins in the world. They might not have the highest IQ, but they sure do know how to kick the crap out of the bad guys. Join the girls as they jump, skip, and river dance their way into a military base to bust the heads of evil villains and stop a nuclear weapon from being unleashed by a terrorist's spoiled son. Then, join them on their night out at a splendid gala event, which, unbeknownst to them, is hosted by an evil character from their sorority Mother's past. Who is he and why does he want the Princesses' leader dead? Will the girls be able to keep their cool when put up against some of the cutest Russian terrorists to hit this side of the Pacific or will they spend the night lost in the eyes of the enemy while their leader is left alone back home? Plus, what happens when a new sorority sister is thrown into the mix? And what does a gravy boat have to do with anything? Danger, intrigue, and hilarity ensue as the girls race against the clock to save the day and get back home in time to look good for class.
