The dramatic conclusion to the Lost Chronicles series! The War of the Lance is nearing its end--for good or ill. The wizard Raistlin Majere travels to Neraka, the lord city of the Dark Queen. Raistlin ostensibly plans to work for her, though in reality he means to further his own quest for power. The Dark Queen plans to destroy the gods of magic on the Night of the Eye, when all the wizards will congregate. Raistlin has to find a way to thwart the plot, even though this means doing battle with his own sister, the Dragon Highlord Kitiara, and her terrifying ally, the death knight, Lord Soth. And still he must overcome his final foe: the archmagus Fistandantilus, who seeks to kill Raistlin and steal his soul. The creators of the Dragonlance(R) world return with their iconic characters, the Companions of he Lance, to show fans the rest of what really happened in the epic battle that determined the fate of the world of Krynn.
