This detailed guide to Southern Oregon and adjacent Northern California proves there's more to this scenic region than just Crater Lake, the Rogue River, and Mt. Shasta. Come discover a hot springs in the hills behind Roseburg, a wildflower mecca near Ashland, and a hidden lake basin in the Trinity Alps! The book describes 56 best hikes for families with children, but there's a variety of tougher trails too, and plenty of options for backpackers, mountain bikers, and equestrians. For adventurers, there's even a list of 100 more hikes in Southern Oregon.
