Ever wonder why so many relationships, even those that begin on a healthy note, ultimately end in turmoil? One of the most common reasons is people choosing lust over love, and this happens far more often than most of us realize. The Ultimate Alternative: When One Chooses Lust Over Love examines the myriad of reasons why people make such a disastrous choice and end up ruining what could have been a healthy relationship. This story identifies and forces the reader to think seriously about the most important elements in a relationship and the rewards for making the right choices as well as the consequences of making the wrong ones.
