In this "New York Times" bestseller Diana Palmer's new romance a mystery unfolds in the Texas heartlands. Tall, lean and headstrong, FBI agent Kilraven lives by his own rules. And one of those rules includes keeping his hands off Jacobsville's resident sweetheart, Winnie Sinclair, no matter the temptation. Shy and innocent, Winnie couldn't handle a man like him - a merciless man with a haunted past. And this small town may hold not only the woman he fights to resist, but the answers to a cold case that is very personal to Kilraven. Now Winnie's life is on the line, and she'll need Kilraven more than ever. But if they are to have a future together, her ruthless Texan will need to confront his past and risk it all for their love.
