装帧:Paperback

isbn:9780073511979

This market-leading text discusses the most relevant mass media legal decisions, from the Constitution to the most recent Supreme Court sessions, in relation to their relevance to modern American law. From the Internet to political advertising laws, "Mass Media Law" examines the current issues that are shaping the United States legal system. Known for its clear explanations and its consistent pedagogy, the text includes mid-chapter summaries, a table of cases, a separate additional table of contents for

Internet related cases and issues, and more. The new edition has been heavily revised to include many new cases, and updated coverage of important current media law concerns, including the right of reporters to protect their sources, censorship problems related to terrorism, file sharing and the law of privacy and ethics.

窝在资料室看完的，真心酸...不让借

读时不禁对比中美法律差异留下许多粗浅体会，编造的giant corporate grain producer例子颇有我们老师的风格。。
