Although it can be a daunting prospect, the idea of working for yourself is gaining popularity. This revised edition of a best-selling guide addresses the common pitfalls and answers every question an entrepreneur might have about self-employment. Fully updated to include new 2009 Budget changes, it deals with the full range of issues that need to be considered, including: business planning, raising finance, tax and legal issues, keeping accounts, and planning for growth. Including useful contact addresses and websites, "Working for Yourself" is essential reading for anyone looking to take the plunge and go it alone.
