isbn:9780072833508

PHILOSOPHICAL ISSUES is an interesting, easy to read supplemental text for students and instructors who use primary source readings in their introduction to philosophy classes. The book provides students with the conceptual framework to think about basic enduring philosophical issues, and thus helps them to get the most out of the course.

#### FEATURES:

Explicates philosophical issues by identifying basic philosophical questions and problems related to them and pointing out common assumptions connected to them.

Each chapter provides at least one answer or solution to each major question or problem and discusses some of the difficulties with these answers/solutions.

Includes a chapter on deductive logic.

By highlighting a few representative examples and arguments from the history of philosophy, Birsch' useful text offers unique flexibility.
