

Freud and Man's Soul

[Freud and Man's Soul_下载链接1_](#)

著者: Bruno Bettelheim

出版者: Random House

出版时间: 2001-5-3

装帧:Paperback

isbn:9780712667746

Has Sigmund Freud been seriously misunderstood? Do standard translations serve only to distort his thought and conceal a profound humanism? Bettelheim cuts through the myths to reveal a greater, more passionate and also far more disturbing figure than he is usually portrayed.
