

# Feminism As Critique

[Feminism As Critique\\_ 下载链接1](#)

著者:Seyla (editor); Cornell, Drucilla (editor) Benhabib

出版者:University of Minnesota Press

出版时间:1987

装帧:Paperback

isbn:9780745603667

This is an outstanding collection of essays which brings together for the first time the work of a group of writers well-known in the Marxist-feminist tradition. The essays range from Marx to Foucault and go beyond them to offer genuine advances in the way social and political life can be reconceptualized in the light of feminist critique.
