在德兰萨拉的HOPE中心找到它,真是缘分。
How deprived we would have been if we had been willing to let things stay as they were. We would have survived, but not as a whole people. We would never have known our place. 很喜欢其中的插画,全是黑底上细如丝的白线,简单又明朗。Sally Morgon真是励志女人,写这书时都三十二岁,且育有三个孩子,还孜孜不倦为着自己的根坚持追逐去寻求,终于发现了那个怎样尘封的世界啊,却又命中与自己息息相关根根相连。

历史必读作品之一。
