装帧:Hardcover

isbn:9780061966729

At the age of seventy-three, New York Times bestselling author Sylvia Browne is ready to tell the whole story of her extraordinary life. In *Psychic*, we meet the woman behind the public figure: from the child receiving her first visits from the spirit world to the teenager doubting her own sanity; from the new mother living through staggering highs and lows to the burgeoning celebrity, and, ultimately, the successful, happily married woman she is today. Filled with never-before-told stories and otherworldly encounters, *Psychic* is a riveting account of how Sylvia Shoemaker, a traditional girl from Missouri, became world-famous psychic Sylvia Browne. Nothing is off-limits. Sylvia tells the little-known truths behind her three failed marriages—including physical abuse, bankruptcy, and legal troubles—and the financial and emotional damage they wreaked. She revisits her personal demons and describes her physical challenges, including her relatively recent discovery that she'd suddenly gone blind in one eye. And then there is the greatest surprise of all: Sylvia tells how, once she had reached her seventies, and believed her romantic life was over, the real Mr. Right finally—impossibly—showed up. While the press has freely, often bitterly, weighed in on Sylvia's most painful stories, she has remained quiet—until now. Unlike any other book Sylvia has written, *Psychic* reaches deep beneath the surface of her life, including professional and personal experiences that she is sharing publicly for the first time. With candor, warmth, and a great deal of humor, Sylvia Browne has written the singularly captivating tale of a life lived in two worlds, filled equally with harsh earthly realities and mesmerizing spiritual insights.

评论

Sylvia

Browne是美国家喻户晓的富有争议的通灵人物，她的这本自传记录了她的家世和主要通灵经历，以及她的个人感情与生活事件。她的文笔流畅，描述生动形象，非常具有可读性。

拥有家传的通灵能力，Sylvia很小就使自己的通灵能力得到正常发挥，并在她的灵魂指导Francine的指引下，一步步打开了解与接近另一个世界的大门。她的心灵成长，伴随着她虔诚的宗教信仰，贯穿她的整个人生。不同一般人的是，她的生存方式，与她的通灵能力直接相关，这也是造成她人生起伏波动的原因，更给她的名声带来正反两面截然相反的评价。

信与不信，全看每个人自己的审视态度。我个人更愿意以开阔的心胸，去阅读其他人不同的世界观与人生态度。不看不知道，世界真广阔！
