[Introduction to St. Gregory Palamas](#) [下载链接1](#)

著者:George C. Papademetriou

出版者:Holy Cross Orthodox Press

出版时间:2005-3-28

装帧:Paperback

isbn:9781885652836

"Father George Papademetriou offers in his illuminating study a splendid theological exposition written in lucid language on some very difficult material dealing with Hesychasm and mystical theology. Father Papademetriou's book offers the serious student the opportunity to familiarize himself with the life and works of the saint. The reader is succinctly introduced to the theology of St. Gregory Palamas with clarity and reasonableness." John Rexine
