When we were kids, Mom or Dad taught us how to tie our shoes and fold our clothes. Most of us have been left to our own devices ever since "Finishing Touches/I is STC's small and stylish answer to our need to relearn all those basic home-keeping skills our parents took for granted. "The Ties That Bind/I offers a basic repertoire of knots and bows to make everything from getting dressed to wrapping a present easier. The book provides instructions for executing practical knots; making bows for gifts; and tying scarves, sarongs, and men's neckwear. More than 20 different tying techniques are shown.
