It's not easy to rule wisely across the span of human history when you've got competitors using trade, espionage, diplomacy, and war to thwart your goals. This guide will help you successfully lead your nation and show you new ways of enjoying the game. Jungles and deserts, Romans and Russians, economy, research, wars, and Wonders of the World--this guide has everything covered:

- \* Detailed analysis of nations, buildings, units, research options, economic factors, and more.
- \* In-depth stats for everything in the game
- \* Detailed advice for mastering the campaign
- \* New solo and multiplayer strategies for winning the game using diplomatic or militarily means
- \* Advanced tactics chapter by Big Huge Games producer Paul Stephanouk
