著者:Charlotte Perkins Gilman

出版者:Filiquarian

出版时间:2008-1-9

装帧:Paperback

isbn:9781599866031

## 作者介绍:

Charlotte Perkins Gilman (July 3, 1860 – August 17, 1935) was a prominent American sociologist, novelist, writer of short stories, poetry, and nonfiction, and a lecturer for social reform. She was a utopian feminist during a time when her accomplishments were exceptional for women, and she served as a role model for future generations of feminists because of her unorthodox concepts and lifestyle. Her best remembered work today is her semi-autobiographical short story, "The Yellow Wallpaper", which she wrote after a severe bout of post-partum depression.

## 书评

This short story, based upon the author's own experiences, is a powerful tale of one intelligent woman's struggle with madness, the role of (married) women in society and family in the late 1800s, and how she copes with well-meaning but misguided relatives

...

This is a story about women rights during 19th century. When I first read this book, I feel bored, because I didn't understand what she's trying to say. After I read it over again. I start to get the central meaning of the book. I think this is a great book...

比a room of one's own 好一点 因为没有那么长 其实是好很多 没有那么多生晦难懂的词  
结局还挺confused 最后还是教授解释清楚的 也就是女权的那些破事吧  
其实不是西方文学历史MAJOR的大可不必精读这种 那英国古代的语法  
是很恶心的...了解一下是不错的 但是我觉得读了那么...

原来作者也没有说是为了申扬女权主义。  
我觉得很多时候一个人的想法和感受，是很难让人完全去感受到的。  
每个人都知道失恋很难过，也会说要怎么度过，可是每个人失恋的时候，还是会痛悼死去活来。事情不是发生在自己身上，是理解不了当事人的感受的。  
子非鱼，焉知鱼之乐...

"I've got out at last," said I, "in shitte of you and Jane. And I've pulled off most of the paper, so you can't put me back!" Jane是谁呢？
