isbn:9781405108102

Living with Arthritis provides an overview of arthritis that is grounded in the realities of living with a long-term condition often characterised by pain, fatigue, physical limitations, anxiety or depression. Arthritis is one of the most common, long-term conditions affecting millions of people worldwide The book draws not only on the growing body of literature in psychosocial rheumatology, but also on Professor Barlow's own research A substantial section devoted to interventions with a psychological basis
