A young man is found murdered, his bones crushed nearly to dust before his body was dumped into New York's East River. In New York there are hundreds of murders a year, but this one is different. Somebody is sending a message. And shockingly, the victim has ties to my brother, Stephen Gaines, recently murdered by an elusive drug lord known only as the Fury. For years this kingpin has been shrouded in darkness. Stephen was executed just as he was about to shed some light. Working alongside my mentor, Jack O'Donnell, I'm going to find the truth behind this blood-soaked curtain. But the more we reveal, the more we realize just how dark the Fury's plans are. And that no matter how brutal the violence has been, we haven't seen anything yet....
