After his recapture at the end ofALABAMA MOON, gutsy 14-year-old Hal Mitchell issentenced to live at Hellenweiler, an institutionthat is morelike a jail than the boys' home it's supposed to be. Halcould walk out in just a few months ifhe keeps out of trouble.Butin a place like Hellenweiler, the morehe tries to avoid the gangs and their violence, the strongerHal's fellow inmates try to make him fail.
