

Anatomy and Physiology

[Anatomy and Physiology_下载链接1](#)

著者:Philip Tate

出版者:McGraw Hill Higher Education

出版时间:2008-01-01

装帧:Paperback

isbn:9780071284653

This new textbook will compete in both the "slim" segment and the full two-semester market. It will be a briefer, less-expensive alternative for instructors who have always liked "Seeley et al's Anatomy and Physiology", but struggled with the depth of the textbook, covering all of the necessary basics of anatomy and physiology.
