As the co-host of MSNBC's popular morning show Morning Joe, Mika Brzezinski has established herself a leading political news journalist and beloved television personality. She daily interviews world leaders—Barack Obama, Hillary Clinton, John McCain—and discusses the major events of the day with guests like Tom Brokaw, Dan Rather, Andrea Mitchell, Chris Matthews, Maureen Dowd, and Tom Friedman. But success hasn't always come easy for Mika. Growing up the only daughter of a former National Security Advisor, she struggled to find an identity in a family of over-achievers. She found her dream job early on and was hailed as the "It Girl" of CBS, only to be fired just a few short years later. After an unsuccessful stint as a stay-at-home mom, Mika went back to the workplace with encouragement from her 8-year-old daughter. She took a job that seemed a long-shot at best, and against all odds achieved the greatest success of her career. Now, in a time when many women are losing their jobs or struggling to find the perfect balance between work and home, Mika guides women of all ages to a place where they can find peace and fulfillment in their lives. All Things at Once is a motivational book aimed at women, based on Mika's own personal and professional triumphs and failures—all of which have led her to her current position as one of television's most outspoken and respected journalists. Blending the personal with the prescriptive, Brzezinski's book will address the perpetual question of "having it all" when it comes to work and family; the importance of remaining equally humble in the face of great success and seemingly devastating setbacks; as well as the necessity of knowing and embracing our limitations so that we may transcend them. In the tradition of Gail Sheehy's classic Passages, this illuminating book shows women how to reach their full potential in all areas of life, and at every stage of their journey. Readers will recognize their friends, their mothers, their daughters, and themselves in this refreshingly honest memoir.

"I am enormously proud of the effort I put into assembling all these aspects of my life at a time..." 在邓公裤子上打翻整盘鱼子酱一刚……

我又成为了在douban上读书第一人/This autobiography is really life-story based/I thought we share similar interests and values.We are all trying to be "all things at once"/Too much narrative distract pp from the main idea(s)/ However, if Mika wanted to put more weights on her own stories than emphasizing "all things at once", then it makes sense/ Overall feeling tired to finish the whole book/ what I learnt from Mika or her mother -- we can be all things at once, but we cannot do everything all at once.

听的是Mika另外一本 “Earn It!” - 变成了stereotype of millennial generation 缺少了些generation-wise
