The undead can really screw up your senior year . . . Marrying a vampire definitely doesn't fit into Jessica Packwood's senior year "get-a-life" plan. But then a bizarre (and incredibly hot) new exchange student named Lucius Vladescu shows up, claiming that Jessica is a Romanian vampire princess by birth--and he's her long-lost fiance. Armed with newfound confidence and a copy of *Growing Up Undead: A Teen Vampire's Guide to Dating, Health, and Emotions*, Jessica makes a dramatic transition from average American teenager to glam European vampire princess. But when a devious cheerleader sets her sights on Lucius, Jess finds herself fighting to win back her wayward prince, stop a global vampire war--and save Lucius's soul from eternal destruction
